Grounds

The property is positioned in an extremely sought after and well regarded development surrounded by executive properties all with an individual design. To the front the property has a large block paved driveway which could comfortably serve parking for 4 vehicles and allows direct access to the garage with pathway leading to the sheltered front entrance door. The gardens are laid to lawn with planted borders. The rear garden has been beautifully landscaped and enjoys an excellent degree of privacy having initial decked seating which can be access from the kitchen and conservatory doors with sleeper steps leading to a central lawned garden with further decked and flagged seating areas, manageable barked and pebbled borders and planted shrubs.

Double Garage

17' 4" x 16' 1" (5.28m x 4.91m)

With electric double width up and over front door, rear wooden grain effect uPVC double glazed window and personal door out to the garden, internal power and lighting, laminate flooring and plumbing for appliances.

Double Glazing

Full uPVC double glazed windows and doors with the exception of the front and rear entrance doors.

Central Heating

There is a modern gas fired central heating system to radiators via a gas boiler located within the garage.

Total area: approx. 180.0 sq. metres (1937.7 sq. feet)
