Grounds

The property sits within a substantial plot and enjoys an extremely discrete and private position being entered via decorative wrought iron gates between bricked pillars while also benefiting from matching side pedestrian gate. Beyond the gate is a large pebbled driveway allowing parking for an excellent number of vehicles along with ample room for a caravan or motor home if required. Surrounding the barn there is potential to create private gardens and designated parking which would be at discretion of the purchaser. Gardens that adjoin the driveway come principally lawned with mature planted borders. Access to either side the property leads to the principal garden that comes principally lawned with mature planting and pleasant decked patio with raised seating.

Double Garage

20' 1" x 17' 11" (6.13m x 5.47m)

With twin up and over electric doors, feature rear circular uPVC double glazed windows, internal power and lighting and fluorescent ceiling strip lights.

Outbuildings

Within the footprints of the property there is an external outside toilet with low flush WC, pedestal wash hand basin, tiled flooring and part tiling to walls with entry via a uPVC double glazed entrance door and an adjoining garden store.

Detached Brick Built Barn

The property benefits from a reconstructed brick barn having had all external works finished, internal power, lighting, water supply and under floor heating offering an excellent opportunity for a number of uses from additional accommodation to home office or anybody with automobile hobbies etc with the accommodation as follows;

Proposed Kitchen Area
